Thank you Steve but I have now been told it is the old way Francis was doing it that he likes best and not the latest batch, so [REDACTED] on LSJ is going to try and do it that way. I am in Europe but Jen is with him on the island, if you need you can liaise with her about getting anything down

Thank you!!!

Hi Steve

██████ on Jeffreys island is requesting the latest beef jerky recipe as JE has asked her to try and make some. He says the last batch that you made tasted different and I think he likes it as he would like her to attempt it. Would it be possible to forward us the recipe.

Thank you
