Subject: Beef Jerky

Jeff,

Old saying, dog ate my homework well my dog ate the beef jerky. I was looking for the beef jerky as I knew it was in my suitcase and then thought maybe I left it at the beach only to find the small plastic bag near my dogs bed, hence no beef jerky. I'll email Francis to make us some more as I need 6-8 ounces to send to the lab and I'll forward Francis the info to send to the lab directly. I'll try you later today.
