Got it. Sent [REDACTED] an email.

I think they are going to attempt to make jerky as well.

I haven't gotten any emails till today about any of this. And now it seems to be too late.

I need to know if he's out of jerky and things like this before it happens.

I would rather come in and make more on a day off. Than be so far away that its not possible to fix things that are wrong. Its actually easier that way.

JE is on the island and has the tuna with him..

If you can let [REDACTED] or [REDACTED] know what to do with the tuna that would be great. [REDACTED] is still on the ranch
